

Interiority

- Novelists and short story writers bring a different set of tools to the arena: language, interactivity, and, most importantly, interiority.
- What is interiority? Internal thoughts, reflections, feelings; sometimes psychological or spiritual.

Irene's Interiority

- What assumptions or values or expectations within society shape Irene's interiority in the novel?
- To answer this, think of 1-2 specific examples of Irene's thoughts reflecting expectations or values, then try to name the value or expectation.
